Potentate's Message

HARVEY E. MACK
Illustrious Potentate

To the Nobles of Moslem Temple
Participating in the Pilgrimage
To the 1960 Imperial Council Session:

It gives me particular pleasure as one of my first official duties as Potentate of Moslem Temple to greet each of you participating in Moslem Temple's 1960 Pilgrimage to the Imperial Council. I have been and am familiar with the details of the arrangements that have been made by the officers, the chairman and members of the various committees to assure the success of this Pilgrimage, and wish to take this opportunity to extend to them my personal graitutude, as well as that of the members of Moslem Temple, for the many hours of labor which they have unselfishly devoted to the creation and carrying out of the program and the details incidental to this Pilgrimage. If each of us follow the schedules and instructions, all of us will, I am sure, thoroughly enjoy this trip.

I wish also to express to Past Potentate Joseph Davidson, Moslem's gratitude for his completion of a most difficult task, assigned to him by the Imperial Potentate. The past six months have been a difficult period for Moslem, but to the everlasting credit of the officers and members of this Temple, we have not permitted anything to interfere with its strength, stability and progress.

You have assured me of your wholehearted support and I in turn, as your Potentate, can assure you that, working together, we shall restore and maintain in the months and years to come, the high reputation of Mighty Moslem.

Fraternally yours,

Harvey E. Mack

The Fez

Courtesies and Etiquette

At all official Shrine functions Nobles wearing the Fez are deemed to be in uniform, and should render salutes and honors in the accredited military fashion.

The **Right hand military salute** is given by Nobles wearing the Fez: to the Colors when presented, or passing on parade; (If the colors pass and repass the same area the salute is given only once); to the playing or singing of the National Anthem, executing the salute on the first note, and holding until final note is sounded. (Please note The National Anthem is the STAR SPANGLED BANNER and is the only song in America entitled to the salute.)

At prayer, invocations, Benedictions, etc. The Fez is removed by right hand and held over left breast. Inside Churches the Fez is never worn except in an offical formation as escort.

The Pledge of Allegiance Nobles wearing the Fez execute the right hand military salute from beginning to end. All salutes are executed without command, but should be done smartly and in unison.

THE FEZ SHOULD NEVER be placed on a table when and where food is being served, it is not only bad taste, but the thought of hair on food is nauseating to most people.

NOBLES UNCOVERED

For the Pledge of Allegiance, place the right hand over the heart. For the National Anthem stand at attention. If covered (civilian) remove hat and hold over heart.

THE FLAG DISPLAYED

Must be on a staff, **never draped** and placed at the Flag's own right. If at a banquet to the right of the speaker. Only in church does the flag take position on the left, i.e. inside the Chancel. If outside the Chancel, the Flag takes its position on its own right.

Authority, Public Law 829, Chap. 806, second session of Joint Resolutions of both houses of the 77th Congress.

The Pledge of Allegiance, by Imperial Council Order with the approval of the State Department, because Shriners come from every country in the world, amended the Pledge to read as follows: I pledge allegiance to my Flag, and to the country for which it stands. One nation under God indivisible, with liberty and justice for all.
